- A translation of [Restricted Work] by MiaQc

Lord Darkar cast his dark magic, his darkness, upon Bloom. The young red-haired woman, whose arms and legs are chained to the altar, resists him.

“I will never join you!” Bloom said firmly. “You will never have the Dragon Flame!”

“Oh, Bloom, there are many ways to make you embrace the darkness.”

With a wave of his hand, the Shadow Phoenix makes Bloom's clothes disappear. The young woman screams and he laughs.

“Yes, my dear Bloom, I will give you my darkness directly!”

Despite Bloom's pleas, the Prince of Darkness places his hands on her breasts. As he plays with her nipples, squeezing and pulling them, his cock burrows deep into her pussy. The young red-haired woman cries and moans. The Shadow Phoenix continues to penetrate her faster and faster. Bloom moans louder and louder. Her resistance to darkness diminishes.

When the Prince of Darkness ejaculates his semen inside her, Bloom's cyan eyes turn yellow. Her transformation into Dark Bloom is complete. She moans with pleasure and begs Lord Darkar to continue fucking her.

“I want your dick inside me, my lord,” she said and the Prince of Darkness laughed loudly.

“My Dark Bloom. You are mine now and soon the Dragon Flame will belong to me!”

Lord Darkar continues to ram his cock into Dark Bloom's pussy for his greatest pleasure.
